This matter is before the Court on pro se Plaintiff Chad Bubrick's Motion for Relief from Order (the "Motion") (Doc. 105). The Motion asks the Court to correct oversight in citing legal authority for the basis of the Order Adopting the Recommendation of United States Magistrate Judge Claude W. Hicks, Jr. (the "Order") (Doc. 104). It is difficult to understand the relief sought by the Plaintiff, but the Court will treat the Motion as a Motion for Reconsideration.

SO ORDERED, this the 1st day of September, 2010.
